TO WHOM IT MAY CONCERN,

DECLARATION OF CONFORMITY (DoC)

Material Type	**Polyolefin-based Printed Packaging**
Product Names	**FRUIT BAGS (PRINTED)** **CARRY BAGS (PRINTED & PLAIN)** **JINGOLD LINER BAGS**
Product Code	**Refer to Technical Data Sheet (TDS)**
Material Construction	**Blend of Polyolefins** **Solvent-based Ink (Non-food contact surface)**

Superior Packaging Industries (Pty) Ltd is an extrusion, printing and flexible packaging converting company, supplying products for the food, hygiene-sensitive, industrial, domestic and export markets.

This product is intended for use in direct and indirect food contact, mainly within the fresh produce sector.

All raw materials used are virgin materials. No recycled products are used in the manufacture of food contact packaging.

We hereby confirm that the materials used in our products are compliant with the following regulations for food contact applications, when used unmodified and according to the intended use.
